

Employer Financial Incentives.

New employees/apprentices, including those progressing from the Kickstart programme, can attract Government financial incentives of £3000, plus a further £1000 if aged 16-18.

However, time is running out!

Creative Sport & Leisure need to receive applications by Wednesday 8th December in order to process and have apprentices in learning before the deadline.

To receive an incentive payment for hiring a new apprentice, you must use the apprenticeship service to access funding for the apprentice's training and assessment; and claim the additional payment which will be paid to you directly.

For guidance on how to register and use the apprenticeship service as an employer follow this link

<https://www.gov.uk/guidance/manage-apprenticeship-funds>

Once you are ready to register on the apprenticeship service you need to set up your account here

<https://accounts.manage-apprenticeships.service.gov.uk/service/index?>

After you have registered, you will need to follow the instructions given in your apprenticeship account.

As an employer, you'll be able to:

- access and manage apprenticeship funding
- receive a transfer of apprenticeship funds where eligible
- give feedback on apprenticeship training
- give training providers permission to carry out some tasks on your behalf

If you require any further information or guidance to assist you with setting up your apprenticeship service account or you would like to speak with a member of Creative Sport & Leisure regarding recruiting an apprentice please contact us on info@creativesportleisure.co.uk or call us **01268 551910**
